Twenty years on the beach

Island View opened one year after Hurricane Katrina and has expanded four times since.

Sept. 16, 2006

Opened the casino tower hotel and the first phase of the gaming floor, in the wake of Hurricane Katrina's devastation.

May 14, 2007

Opened the second phase – more than 50,000 square feet of gaming plus additional food and beverage and entertainment offerings.

April 29, 2015

Opened a \$58 million expansion including the 269,412-square-foot, 18-story Beach View Casino Hotel on the south side of the resort, with 405 hotel rooms and several upscale amenities.

June 21, 2018

Opened the fourth phase of expansion: the \$75 million Beach View Casino, offering 43,000 square feet of gaming in a smoke-free, 21+ environment on the beach side of the resort, adjacent to Beach View Casino Hotel.

Gaming space	126,000 square feet.
Slots	2,167 reel and video slots, including the newest slots and traditional favorites, with denominations ranging from penny to \$100. The selection also includes video poker and keno machines ranging from nickel to \$1.
